## NINTH WARD TO

Priesthood Adopts Resolution Empowering Bishopric to Make Assessments

The members of the Ninth ward will give financial support to the Weber college gymnasium. A resolution was adopted by the priesthood of the ward at a special meeting held last night, empowering the ward bishopric to make assessments to each family in the ward and to collect the ward quota, which is \$8,880.

There was a large percentage of the ward priesthood at the meeting, who were heartily in favor of the move ment to build the gymnasium. Dur-ing the evening addresses giving details of the plans were delivered by members of the bishopric, Principal H. A. Dixon of the Weber college, Professor David Wilson of the Weber college and President John V. Bluth of the Weber college board of trustees

"It's the funniest picture I ever saw on the screen." This is the verdict of a well-known business man of the city last night after he left the Ogden theater, where he spent two hours in seeing the show. He admitted that the Mrs. and himself had remained a "few minutes longer just for another look at that fellow Lloyd." The comedy is the fifth \$100,000 two-reel comedy presented by Marold Lloyd. The comedy is presented in connection with the big feature by Pauline Frederick in "The Woman in Room 13," and will close the successful four days engagement tonight.

Thursday the Ogden will offer the cyclone comedian and athletic dare-devil, George Walsh, in his best picture, "The Manhattan Knight." picture is checkful of action.

## SUPPLY INCREASES SO DOES PRICE IN

"I wouldn't tell the name of the town for real dollars," highway engineer of the U. S. bureau of public roads, "but that intle town is in Idaho, and it certainly shed some light on the way some high prices are engineered The switchman's strike had tied up the town so that shipments of butter and eggs could not be made from there into Ogden and Salt Lake, so the local stores immediately put up the price of butter and eggs and refuted the opinion of the elementary student of political economy, who thinks that prices are altogether determined by the inter-action of supply and demand. Here was an instance of a large supply calling for an increased price. I would mention the name of the town if I hadn't

Makers of Ryzon to Pub-lish Book of Baking Experiences

New York, April —To give house-keepers throughout the country a chance to compare experiences in home baking, the General Chemical Company will issue a booklet of actual experiences with Ryzon Baking Powder. So striking has been the success of women with this baking powder in the two million American homes where the Ryzon Baking Book is used, that the manufacturers have decided to publish a number of Ryzon experiences as told by the women themselves.

Manuscripts should be written on one side of the paper only and sent with the name and address of the writer to the Food Department, General Chemical Company, 25 Broad Street, New York, N. Y. before June 1.

This is not a prize contest, but all accounts published will be paid for according to their merit at rates ranging from \$5 to \$50 each. Everyone who sends an account of Ryzon experiences will receive a copy of the new book when it is published.

The accounts should be concise and at the same time include all interesting details from the time t eclpe was mixed according to dire in the Ryzon Baking Book to the finished dish was served.

The new Ryzon Baking Book (original price \$1.00), containing 250 practical recipes, will be mailed, postpaid, upon receipt of 30 cents in stamps or coin. Or if you will purchase two or more pounds of Ryzon at once from your grocer, sending us his name and address promptly, we will mail you a Ryzon Baking Book free. General Chemical Co.
